**CCEF APPROVED CONTRACTOR LIST –
GEOTHERMAL INCENTIVE PROGRAM**
Updated March 1, 2010

Provisional Geothermal Contractors*

**Companies on our "Provisional Contractor" list have met all of CCEF's minimum requirements except for the requirement to have completed three (3) geothermal installations. Once a contractor has completed three installations to our satisfaction, they may then be qualified to become an "Eligible Contractor."*

CGH Energy, LLC Jane Bugbee 671 Old Post Road Tolland, CT 06084 Phone: 860-869-8042 Fax: 860-872-1565 jbugbee@cghenergy.com www.cghenergy.com

--

To become an eligible geothermal contractor (or a "provisional" contractor), please refer to the eligibility criteria in "Request for Qualifications and Instructions" at www.ctcleanenergy.com/geothermal.

As with any significant purchase, you should shop around when considering a geothermal system, check references, seek as much information as possible and obtain more than one quote.
