Customer/Project Owner: As with any significant purchase, you should shop around when considering a geothermal system, check references, seek as much information as possible and obtain more than one quote. The residential and commercial rebate applications can be downloaded at www.ctcleanenergy.com/geothermal. Please review the applicable application in its entirety.

The CCEF program requires the customer/project owner to get CCEF's written approval for the rebate before the system is installed. Customer/project owner will be notified by e-mail within thirty (30) business days if their application has been approved, denied, or if more information is required. The approval notice will include the rebate amount and a Rebate Reservation Number from CCEF. (Contractor will receive a copy of the notice.) Only projects that will be installed by an approved contractor are eligible for a rebate.

Geothermal Contractor: To become a CCEF-approved contractor, please refer to the eligibility criteria in "Request for Qualifications and Instructions" at www.ctcleanenergy.com/geothermal. Contractor will be notified by e-mail within thirty (30) business days if their application has been approved, denied, or if more information is required.

Illegible or incomplete forms will be discarded.
